Confirmation of validated CHS self-assessment

Dear Mr. Abdifatah Ali,

On behalf of the CHS Alliance, we would like to congratulate you on the work undertaken to assess how you are meeting the CHS Commitments to people affected by crisis.

I am delighted to confirm that SOS Children's Villages Somalia has shown its formal commitment to improving its application of the Core Humanitarian Standard on Quality and Accountability (CHS), by conducting a Self-Assessment in line with the CHS Alliance Verification Scheme.

We are providing you with a CHS Self-Assessment stamp that we would encourage you to display on your website and other promotional materials to increase recognition of your commitment to the CHS to your key stakeholders and donors.

While the CHS Alliance recognises and commends SOS Children's Villages Somalia for the completion of the CHS Self-Assessment process, it is unable to endorse the organisation's current or future capacity, performance against the CHS, or the quality, effectiveness and accountability of its programmes and services.

We look forward to working with you as you implement the Improvement Plan to make greater strides to improving the quality and effectiveness of work for the people you serve.

Please contact me at any time if you would like to know more, or if you would like to share any feedback with us.

Yours sincerely,

Tanya Wood
Executive Director,
